

# Fergus Area College Foundation

August 30, 2016

Dear Spartan Alum:

As a former student athlete at Minnesota State Community and Technical College in Fergus Falls (you might recall your two-year college by another name), you had the privilege of playing on a team coached by either Dave Retzlaff or Ann Williams, arguably two of the best coaches at any level.

As a Fergus Area College Foundation board member, I attend the annual FAF scholarship reception each fall on the Fergus Falls campus of M State and witness students being awarded annual scholarships, some of them named after past college faculty and staff members.

Over the years, I have left these scholarship receptions with a sense that something is missing. Although it's encouraging to see students receiving scholarships, how wonderful it would be if Dave Retzlaff and Ann Williams were honored by their former student athletes with an endowment in their names, one that would award students annual scholarships while keeping alive the legacy of these two great coaches.

Would you please consider playing a part in creating the Dave Retzlaff/Ann Williams Endowment? Our goal is to start with a combined scholarship and eventually create one for each of them. Your financial gift to the Foundation would honor and thank your former coach for the very important role he or she played in your younger years. Donations for this endowment may be sent by completing the attached form and mailing to Fergus Area College Foundation, 1414 College Way, Fergus Falls, MN 56537 or made online at [facfmstate.org](http://facfmstate.org). Please include the Retzlaff/Williams Endowment in the notes area.

If you would like to learn more about this effort, feel free to call me at 218-731-4986. I enjoy talking with members of our Spartan family.

Sincerely,

Scott Colbeck
